COLOR COAT CARNAUBA

Product Information

Color Coat Carnauba

Color Coat Carnauba is the newest addition to our RedRhino® line of waxes and protectants. This diverse new product is both a tricolor conditioner and real wax all in one.

- Product #1514
- Available in 6 gallons and 30 gallons

Benefits of Color Coat Carnauba

- Contains genuine carnauba wax to provide a long-lasting shine and protection to the vehicle's surface
- Provides rich foam and vibrant colors with every application

Color Coat Carnauba Applications

Color Coat Carnauba can be used in tunnel, automatic and self serve applications

- Replace traditional tricolor conditioner with Color Coat Carnauba
- Use in foaming wax arches/applicators
- Use in self serve splatter wax applications

How can I market Color Coat Carnauba to my customers?

Add Color Coat Carnauba as a premium upgrade to any wash or incorporate into your top wash. Blendco has several signage options available including windmasters and banners.

Cost and Recommended Product Usage

Color Coat Carnauba costs about \$.30-.65/car. Usage is 30-60 ml/car. Higher usages will equal a more waxed, shiny surface.
