

COOL DRY

- ◆ **Premium Clearcoat**
- ◆ **Drying Agent**
- ◆ **Spray Wax**
- ◆ **Pleasant Cherry Scent**

- ◆ Use Cool Dry in final rinse arches as a premium clearcoat and/or drying agent.
- ◆ Use as a spray wax at higher concentrations.
- ◆ Cool Dry instantly forms very small beads of water which fly off the car surface for extremely dry and shiny cars.
- ◆ This versatile product is effective in both warm and cold water!
- ◆ Add profit to your wash with this multipurpose drying agent!
- ◆ Boost customer satisfaction by using Cool Dry in your In Bay Automatic or Tunnel carwash.
- ◆ **Recommended Product Usage:** Dilute 400:1 to 800:1 for use solution. Usage is 5 to 10 ml /cc per car. Apply at high, medium or low pressure.
